

Summer 2010

Welcome back to summer and to Lake Wawasee!

Once again we are welcoming the beginning of another season at the lake, *summer!* In summer we have the warmest weather of the year as well as the most fun! The days are longer and we try to pack as much into each one of them as we can. Whether you are a person that prefers motorboats to sailing, jetskies to kayaks there is a time and place here at Wawasee for you to enjoy your activities.

Inside this year's edition of your "*NEIGHBORS*" book you will find lots of useful information, maps, advertising from local businesses that are "*friends*" of Wawasee and most importantly the names and addresses of your "*neighbors*". Over the winter we have worked hard to make the information contained inside as accurate as possible, please check your listing and let us know if there are changes that need to be made. We also ask that as you shop in the area that you thank our advertisers for supporting your association. Without their advertising we would not be able to have the quality publication that we do in the "*NEIGHBORS*" book.

Along with thanking our advertisers there are others that we need to thank. First of all our Lake Patrol volunteers, each summer they donate hours of their time to not only patrolling the lake but in training even before the season begins, all to help keep you safe as you enjoy the lake. We also have our "director of fireworks", who has been busy this winter helping with the plans for this year's show, slated to outstanding and one of the best in the state as well as a team of directors working on a new and improved *Family Breakfast* with our Syracuse Lake neighbors. In addition plans are moving forward for the popular *Cottage Tour/Artist Series Event* which will be held in July and Janet has a "spicy" evening planned for the *Annual Dinner* in August. So, as you attend these events be sure to say a big thank-you to those involved in making your summer a time of fun with family and "neighbors"!

So gather the family, board the boats, jetskies, canoes, or kayaks and head out for a summer of warm weather, sun and fun see you on the lake!

Kay S. Young, President
Wawasee Property Owners Association
